

The Lafayette Catholic School Policy System

Policy Number: LCS Board of Education #104-REV#001

Effective Date: June 24, 1998

Revision Date: June 30, 2010

Subject: Credit for Previous Experience

Policy Content:

The Principal of each school evaluates the training and experience of all applicants for positions at his/her school. Acceptance of a position as a faculty member means that the applicant accepts that evaluation of his/her training and experience as correct.

Full time teaching positions at the appropriate school will be given full credit for previous teaching experience. The Principal will determine credit for other experience. Thirty periods or more of professional duties per week for a nine month period per year or more shall be considered as a year of experience for Jr. and Sr. High faculty members. 120 days or more of full time professional duties for a nine month period per year shall be considered as a year of experience for elementary faculty members.
