We recognize the need to improve the quality of teacher training and the contributions that student teachers can make to the schools. Therefore, the principals may arrange for the supervision and training of such teachers at the Lafayette Catholic Schools.

The principals will ensure that the student teachers are placed with experienced teachers of demonstrated competence. The principals will endeavor to ensure that no Lafayette Catholic student will have more than one student teacher in a given semester and that no Lafayette Catholic student will have a student teacher more than one semester in a given discipline.

No staff member will be required to take on a student teacher.

The teacher training institution will be expected to provide liaison personnel who will discuss the placement with the principal and teacher to whom the student is assigned. Such personnel are free to visit the classrooms to observe the student teacher at work. It is expected that the teacher training institution will arrange the schedule of the student teacher to provide sufficient time in the classroom in order that continuity of experience for the student teacher and the students is insured.
