

The Lafayette Catholic School Policy System

Policy Number: LCS Board of Education #111-REV#002

Effective Date: June 24, 1998

Revision Date: April 27, 2011

Subject: School Registration Policy for K through 6

Policy Content:

During school registration for grades K through 6th, parents will complete a form listing their first and second school preference. For kindergarten students, parents will also indicate if they prefer AM or PM half day, or all day kindergarten. New families will be encouraged to visit all schools so they can make an informed choice.

If their first preference cannot be accommodated, the schools will try to grant them their second preference if possible. The following criteria will be used in attempting to best accommodate the family/student(s) and the LCSS enrollment balance:

- 1st) The family/student(s) preference
- 2nd) Their parish
- 3rd) Transportation
- 4th) Class size

Applications for the following school year may be submitted as early as the first day of school during the previous school year. Applications for new enrollment are considered in the order they are received.
