

The Lafayette Catholic School Policy System

Policy Number: LCS Board of Education #133

Effective Date: January 24, 2006

Revision Date

Subject: Extra Curricular Teams/Groups Rules of Conduct

Policy Reasoning:

It is important for the Lafayette Catholic Schools to support non-LCSS sanctioned extra-curricular programs. Any program supported by our schools must be conducted in a manner that reaffirms our mission. To accomplish this our extra-curricular leaders must be informed of the LCSS's rules and expectations regarding student and coach's behavior.

Policy Content:

All extra-curricular teams/groups wishing to use facilities maintained by the LCSS will sign a contract outlining the rules which each team, coach and student athlete will honor. A copy of the contract is attached.
