From: Mrs. Jody Williams, Principal

St. Lawrence School is continuing its effort to measure your satisfaction! Business researchers have tested over 14,000 questions related to satisfaction and they determined that the ultimate satisfaction question to ask is: "How likely is it that you would recommend our school to your family, friends, and colleagues?" Realizing the important investment you are making in the life of your child at St. Lawrence, we are asking you the ultimate question to better understand how we can improve today the Catholic education we offer.

With this in mind, it is important that you take the time to complete the short parent satisfaction update at the bottom of this page. We want to keep your response anonymous, and are therefore not asking for your name. *Please place your completed survey in the box in the main hallway or near the main entrance.* Our plan is to conduct this short parent satisfaction update twice a year: now and again in the spring.

You should know that any of the administration, faculty, staff, and pastor at St. Lawrence School is available to talk to you about your experience at any time throughout the year. Our goal in conducting this parent satisfaction update twice a year is to gain your quick feedback so we can make adjustments (where possible) now rather than later.

Please know that we will take the responses we receive on this parent satisfaction update seriously. If you have any questions concerning this satisfaction update, please contact me at (765) 742-4450 or Angie Schrader, Enrollment Director at (765) 474-7500. *Again, please return your anonymous update in the box located in the main hall or at the main entrance.* Thank you!
