New in 2018-2019

On Mondays, all schools will have a 2:30 p.m. dismissal to allow teachers to work on Professional Development (PD). PD will run from 2:45 - 3:45 p.m. Teachers/Staff will use this time to engage in discussions among work colleagues, independent reading and research, observations of a colleague's work, or other learning from a peer. Student learning and achievement increase when educators engage in effective professional development focused on the skills educators need in order to improve student outcomes.
